ABOUT & OBJECTIVES

I'm a professional content writer and video ads creator. With over 5 years' experience. I have been able to work with several companies and individual YouTubers in various niches: helping them convert audiences into subscribers through my portfolio over time. From descriptive to analytical and scripts that take on a story-telling style, I have just what it takes to draw your audiences' interest and gear it towards any direction you want. I also have an objective to work with a team of talented professionals, who, by virtue, have a strong believe in work problem solving mindset of using dedication, team work and creativity, to achieve corporate mission and vision, thereby adding value and leaving an enduring legacy for future generation.
